PHYSICAL CHEMISTRY 2014
Satellite Event
1st WORKSHOP
MATERIALS SCIENCE FOR ENERGY RELATED APPLICATIONS

September 26-27, 2012, B E L G R A D E

Organizing Committee

N. V. Skorodumova, KTH, Stockholm, Sweden
I. Pašti, University of Belgrade, Faculty of Physical Chemistry, Serbia
S. Mentus, University of Belgrade, Faculty of Physical Chemistry, Serbia
Š. Miljanić, University of Belgrade, Faculty of Physical Chemistry, Serbia
N. Gavrilov, University of Belgrade, Faculty of Physical Chemistry, Serbia
B. Simonović, University of Belgrade, Institute for General and Physical Chemistry, Serbia

Aim of the Workshop

The 1st Workshop MATERIALS SCIENCE FOR ENERGY RELATED APPLICATIONS is organized as the satellite event to PHYSICAL CHEMISTRY 2014 with the aim to bring together scientists from all domains of material science for energy related applications. Contributions related to materials for heterogeneous catalysis, fuel cells, batteries, hydrogen storage, solar energy conversion systems and others are welcomed. One of the goals of the Workshop is to bring together theoreticians and experimentalists working in the field. Hence, theoretical, experimental and combined studies are welcomed. Young researchers are especially encouraged to present their work at the Workshop.

The more details will be given in the Second Circular.

Language

The official language of the Workshop will be English.

Deadlines

Registration	30th June 2014.
Submission of papers	25th August 2014.

Workshop Program

The Workshop will include lectures delivered in the form of oral presentations as well as poster presentations. Posters will be placed throughout the duration of the Workshop and presented and discussed during the breaks. All contributors are encouraged to prepare poster presentations.

Publications

All presentations at the Workshop will be published in the *BOOK OF ABSTRACTS*. The authors are asked to respect the strict three-page limit for the papers (including abstract, introduction, results and discussion, and conclusion) in single-spaced A4 format. Top and bottom margins should be 4.85 cm and left and right margins should be 4 cm. The title should be written in font 14 (Times New Roman) and in bold capital letters. The rest of the text should be in 11 point fonts (Times New Roman). The authors' addresses should be given in italics. References to the literature within text should be placed in square brackets: [1], [2],..., and cited at the end of the text. References: [1] G. Petrov, Raman Spectrosc., 2003, 34, 160-167.

PHYSICAL CHEMISTRY 2014
Satellite Event
1st WORKSHOP
MATERIALS SCIENCE FOR ENERGY RELATED APPLICATIONS

September 26-27, 2014, B E L G R A D E

Filled Registration forms should be sent electronically by e-mail (materials@ffh.bg.ac.rs) before **June 30th, 2014**. The papers should be submitted electronically by e-mail (materials@ffh.bg.ac.rs) before **August 25th, 2014**.

Registration fee

There is no registration fee. However, the number of participants is limited and those interested in participating should register as soon as possible.

Additional Information

More detailed information on the Workshop organization will be given in the Second Circular. It will be dispatched to those who send back the enclosed First Circular.
